SECOND STATUS INQUIRY

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

A First Status Inquiry was filed on August 30, 2007. However, no response from the U.S. Patent and Trademark Office (USPTO) has been received to date. Information available via Private PAIR continues to indicate that the referenced application is undergoing pre-examination processing. Given the filing date of the application, it would be expected that such processing should have been concluded several months ago.

Once again, it is respectfully requested that the undersigned Attorney be advised of the status of the above-identified application. In particular, please advise as to when we might expect to receive a Filing Receipt from the USPTO.
